61st Annual New Jersey Asphalt Paving Conference

March 13, 2018

The College of New Jersey

Brower Student Center

2000 Pennington Road, Ewing, NJ 08628

Sign up now to be an exclusive sponsor or one of only 20 exhibitors at this regional event. Tap into more than 300 consultants, contractors, suppliers, designers, government agency employees, and others involved in asphalt paving.

At the New Jersey Asphalt Paving Conference, you will meet people who work daily in pavement design, construction, and maintenance and can use your services, expertise, and products.

Take advantage of this opportunity for public agencies and private-sector pavement professionals to interact and share ideas -and express your interest and ability to be a resource statewide or even regionally. Attendees learn about the latest in design, construction, technologies, and maintenance from top researchers, suppliers, and practitioners in the asphalt paving industry.

Only 20 exhibitor spaces are available. Spaces are filled first come, first served. **Exhibitor registration deadline is February 28, 2018**, but spaces go quickly, so register early. Exhibits are set up immediately outside the meeting rooms where all session breaks are taken, so plenty of traffic is guaranteed.

Several opportunities are available for Sponsorship of the conference. All Sponsorships include a listing on all conference marketing materials and in a multimedia display at the event. Sponsorship deadline is **February 1, 2018**.
