66th Annual New Jersey Asphalt Paving Conference

March 7, 2023

FORSGATE COUNTRY CLUB, JAMESBURG, NJ

Sign up now to be an exclusive sponsor or one of only 15 exhibitors at this regional event. Tap into more than 300 consultants, contractors, suppliers, designers, government agency employees, and others involved in asphalt paving.

At the New Jersey Asphalt Paving Conference, you will meet people who work daily in pavement design, construction, and maintenance and can use your services, expertise, and products.

Take advantage of this opportunity for public agencies and private-sector pavement professionals to interact and share ideas—and express your interest and ability to be a resource statewide or even regionally. Attendees learn about the latest in design, construction, technologies, and maintenance from top researchers, suppliers, and practitioners in the asphalt paving industry.

Only 15 exhibitor spaces are available. Spaces are filled first come, first served. **Exhibitor registration deadline is February 27, 2023**, but spaces go quickly, so register early. Exhibits are set up immediately outside the meeting rooms where all session breaks are taken, so plenty of traffic is guaranteed. **TABLE TOP EXHIBITS ARE ONLY ALLOWED.**

Your exhibitor registration fee includes conference sponsorship benefits and full participation in all conference sessions and events (including meals) for one representative from your company.

Sponsorship, gets your brand prominently displayed on all conference marketing materials, signage, and multimedia displays at the event.
