

New Jersey Society of Asphalt Technologists

Presented by: Darius Pezeshki

Early in 1984 Cliff Heath, President of NJAPA, encouraged me to bring SAT to New Jersey. Following the same procedures, we held our first technical meeting in October of that year at the Forsgate Country Club in Jamesburg, New Jersey. The New Jersey group has achieved success beyond our wildest dreams.

The image shows a Facebook profile page for the New Jersey Society of Asphalt Technologists. The profile picture is a circular logo with 'SAT' in the center, surrounded by the text 'SOCIETY OF ASPHALT TECHNOLOGISTS, INC.' and 'NEW JERSEY'. The cover photo is a close-up of asphalt. The page name is 'New Jersey Society of Asphalt Technologists' and the bio reads: 'A non-profit organization dedicated to gathering and disseminating information on quality asphalt technology.' Below the bio, it says 'Highway, Street, and Bridge Construction · Lanoka Harbor, NJ · 92 followers · 11-50 employees'. A notification bell icon is in the top right. A user named 'Brian' is shown following the page. There is a 'Following' button with a checkmark and a three-dot menu button. At the bottom, there are navigation tabs for 'Home', 'About', 'Posts', 'Jobs', and 'People', with 'Posts' being the active tab.
